Our thin crust, Neapolitan style pizza, originated in our Great, Great, Great, Grandma's kitchen in Naples, Italy, in the 1800's. It made its way, as many Italians did, to The Big Apple, New York.

In 1992 we travelled to New York to learn the 100-year-old family secret behind hand-tossed pizza and its secret sauce. We returned to Vancouver and proudly introduced our family's thin-crust style pizza to Kitsilano in 1992 and to the West End in 2000.
